

V2V EVENTS

Frozen Cocktail & Slush Bar/ Slush Machine Hire

Professional twin-bowl Snowshock frozen drinks machine

Frozen Drinks, Endless Possibilities

Our premium frozen drinks bar is perfect for weddings, corporate events, festivals, and private celebrations. Using a neutral slush base, we can create almost any flavour or transform it into your favourite frozen cocktail, giving you complete flexibility for your event.

What's Included

- Professional twin-bowl frozen drinks machine
- Neutral slush base for complete flavour flexibility
- Can be transformed into your chosen frozen cocktails
- Can also be served as alcohol-free slushies
- Choice of bespoke flavours to suit your event
- Professional setup and operation – For Hire Only, we will setup the machine and then give instructions on how to operate the machine during your event
- Indoor or outdoor service
- Optional personalised branding
- Available as a standalone hire or alongside any V2V bar package
